

Massachusetts Voluntary Self Exclusion Program Study

- Have you ever enrolled in the Massachusetts Voluntary Self Exclusion program?
- Do you want to help to improve the program by sharing your experiences?
- Participate in the Voluntary Self Exclusion Study!

Who Can Participate?

- Anyone who is a current or past enrollee in the Massachusetts Self Exclusion Program

What Do Participants Do?

- Participants complete a survey about their experiences with the program and other life experiences.
- Participants might also be asked to participate in an interview or panel.
- Participants receive gift cards for their participation - \$15 for completing the survey.

Who Is Conducting This Study?

- Researchers at the Cambridge Health Alliance are conducting this study to help the Massachusetts Gaming Commission improve its Voluntary Self Exclusion Program
